Holidays 2009

As expected, game night was a blast! On Friday, November 6, about 25 Highlighters gathered in the small fellowship hall and had a great time snacking, laughing, snacking, talking, snacking, playing games...did we mention snacking??? (The food was awesome!)

If you missed it, you missed a great time! Lively games of

Apples-to-Apples and dominoes took up two tables; the others (who shall remain anonymous) played a long round of "sit-and-talk." A good time was had by all!

Think on these things

"Just remember, once you're over the hill you begin to pick up speed."

- Charles Schultz, creator of the Peanuts cartoons

Progressive Dinner

The 2009 progressive dinner is scheduled for **December 5**. We will have appetizers at one house, then proceed to the church building for the main course, and then on to one more home for dessert and a gift swap (aka "dirty Santa.")

Hurry! We need all participants to sign up to bring a dish for one of the courses. A map will be provided on the information desk before the date!

Other upcoming events

Sweetheart Banquet on February 13. We have some fun ideas for celebrating our oldest couples within Highland Heights. If you would like to help with this fun evening, please see Don Winningham.

Several of our elderly members could use help with deep "spring cleaning" and minor home repairs. If you are handy with a mop or broom, a paintbrush or hammer, please set aside a Saturday or two in late winter to help us bless them and their homes. More details to follow.

You've got mail! Check the email address this was sent to and let Lori or Don know if you'd prefer receiving the newsletter at a different address; reply to lcw1976@bellsouth.net

We're not monkeying around!

The Highland Heights clothes closet is now focusing on clothing for children. During December, the Highlighters are urged to donate any of these items we can: disposable diapers, plain new white socks, underwear (boys or girls) or t-shirts, in any size from infant to youth large. See Kathy Coulter if you have any questions.

Pop Quiz: Which of these animated movies turns 40 this year?

Answer: **Frosty the Snowman** first aired in 1969. But if you guessed one of the others, you're not far off. The '60s produced several beloved holiday classics, including:

- Rudolph, the Red-nosed Reindeer (1964)
- A Charlie Brown Christmas (1965)
- How the Grinch Stole Christmas (1966)

What's your family's favorite holiday cartoon?

Merry Christmas and Happy New Year! Look for the next newsletter in January; in 2010, we plan on a quarterly publishing schedule. If you have any ideas for the newsletter, please feel free to contact Don and Lori at lcw1976@bellsouth.net
