Bible Classes at Highland Heights Church of Christ

Our mission is to bring as many people as possible to faith in Christ, strengthen them in the knowledge of the truth, and lead them to maturity, thereby *...helping change lives for good.*

Our vision is to provide educational opportunities for all church members and the community, organized within a systematic, mission-minded, goal-driven program of Bible classes and devotionals. Skilled, well-prepared teachers lead these classes and impart sound doctrine to all students. Ours is a volunteer-supported ministry in which a large number of church members cooperate to make the program a continuing success. Through continuing education of leaders, and planning in committee meetings, our Bible classes feature the very best materials, methods, and function in a state-of-the-art facility. God blesses our efforts, and our success spreads out to help change the whole world for Christ.

"Him we proclaim, warning everyone and teaching everyone with all wisdom, that we may present everyone mature in Christ."

-Colossians 1:28 (ESV)
